

# Career Pathways to Success – Morning Session

## What to Expect

Conference attendees will have the opportunity to have a **10– to 15-minute** session with one of the contributors. These are short Q & A sessions for attendees to get advice and tips from experienced project management professionals.

### How do I sign-up for a session?

- Sessions will be done on a walk-up basis or you can sign up for a time slot starting at 7:30 a.m. on the day of the conference in the Career Pathways room.
- When you do sign-up for a time slot, please specify the topic for your session (resume review, LinkedIn profile, job search strategies or interview tips)
- If you do sign-up for a time slot, you will need to show up no later than 3 minutes of your assigned time.

### How do I need to prepare for a session?

- If you want a resume review, please bring a hard copy of your resume.
- If you are looking for a review on your LinkedIn profile, have your LinkedIn profile on your phone or tablet.
- If you are looking for advice on job search strategies or interview tips, please come prepared with 2-4 questions.

### Can I extend my session longer than 15 minutes if I need more time?

Because we want to benefit as many conference attendees as possible, these sessions need to be limited to 15 minutes. If there are no other attendees waiting, the session may extend a few minutes longer to answer your last question.
